Ospitaletto (BS), 12 October 2021

SABAF RISES TO 100% OF THE CAPITAL OF A.R.C. S.R.L.

Sabaf S.p.A. announces that it has completed the acquisition of 30% of the share capital of A.R.C. s.r.l. from Mr Loris Gasparini, in execution of the agreement signed in 2016, when Sabaf had acquired the 70% of A.R.C. The consideration for the transaction was € 1,650,000.

Loris Gasparini will keep the role of Chief Executive Officer in A.R.C.

A.R.C. s.r.l., based in Campodarsego (Padua, Italy), is active in the production of gas burners for the professional cooking sector and for high-end appliances in the domestic and semi-professional cooking sector. The company expects to close 2021 with sales of € 6.3 mn, up by more than 50% compared to 2020.

<p><i>Founded in the early fifties, SABAF has grown consistently over the years to become the key manufacturer in Italy – and one of the leading producers in the world – of components for household appliances. The production is broken down into three main lines: gas cooking components (valves and burners), hinges and electronic components. Technological expertise, manufacturing flexibility, and the ability to offer a vast range of components – tailor-made to meet the requirements of individual manufacturers of cookers and built-in hobs and ovens and in line with the specific characteristics of its core markets – are Sabaf's key strengths in a sector featuring major specialisation, constantly evolving demand and an ever-increasing orientation towards products assuring total reliability and safety. The Sabaf Group has more than 1,500 employees. It operates through its parent company SABAF S.p.A. and the subsidiaries Sabaf do Brasil, Sabaf Turkey and Sabaf China, active in the production of domestic burners, A.R.C., which produces burners for professional cooking, and Faringosi Hinges and C.M.I., leader in the production of oven and dishwasher hinges, and Okida, operating in the field of electronic components for household appliances.</i></p>
